

DON'T LET THE SMALL BOX FOOL YOU!
CUSHION EXPANDS TO 18 x 14.5 x 3 INCHES

Simply sitting in a chair can be agonizing for those suffering with tailbone or coccyx pain. The Kolbs Coccyx Cushion, with its unique tailbone cut-out helps relieve pressure on the coccyx bone.

A sloping wedge shape helps correctly align the spine while tilting the pelvis forward to restore the natural lumbar curve, providing maximum comfort and relief. Made with premium foam for a firm, yet comfortable feel for use in the car, home or office.

Features:

- Cut-out reduces pressure on the spine and coccyx
- Tilted cushion restores spine's natural "S" shape
- Premium foam for maximum comfort and durability
- For home, office and travel use
- Model number KCMPPC

Compressed packaging is ideal for ALL retail shelves!
