

Adjustable Bed Wedge Pillow

A good day starts with a great night's sleep. Acid reflux, neck and back pain, post-surgery and other medical conditions can often rob you of the sleep your body needs. The Kölbs Adjustable Bed Wedge offers optimal positioning for a comfortable and relaxing slumber.

Memory Foam Upper Layer

The top layer of the cushion features plush memory foam for comfort and excellent pressure prevention.

Medical Grade Foam Core

A high density core layer supports the memory foam to ensure just the right firmness and support.

Adjustable Height

Always the right height. Adjustable pillow allows for a host of comfort options.

Luxurious Velvet Jacquard Cover

A removable cover is composed of thick velvet for a plush and comfy feel.

Multi-Purpose (7-IN-1 DESIGN)

Care Instructions: The cushion should not be submerged in water, or left outdoors in the rain.

Washing instructions: Cover can be removed and washed on delicate cycle. Do not bleach or iron. Tumble dry low. Core can be spot cleaned with a moist, soapy rag. Foam core may NOT be placed in the washing machine.

Important Notice: The Adjustable Bed Wedge is shipped in compressed packaging. Remove Cushion from plastic packaging to begin decompression. The process will begin immediately. Allow several hours for cushion to decompress before use.

Please note: Many factors contribute to the speed of your cushion's decompression. In the vast majority of cases your cushion will decompress in the time frame indicated. In the rare case that it does not, please allow the cushion to decompress overnight.

Please also note: Although you may use the cushion at this point, it may take up to 24-48 hours for the pillow to reach its peak firmness.
